Keynote Speaker: Erica Toussaint-Brock

We are happy to share that Erica Toussaint-Brock will be the plenary speaker this year at the Indiana Baha'i Summer School. Erica has served Baha'u'llah in many capacities, including as a pioneer in Grenada, as a member of many Institutions of the Faith, and as a frequent speaker and facilitator at Baha'i conferences across the States

How wonderful it would be if all the friends could arrange to spend at least a few days in one of these summer schools and take an active part in their development. These centers could attract many souls if properly arranged and made interesting; those non-Bahá'ís who visit them will then have some time to get into the spirit of the place and make a study of the Cause... We constantly receive letters from people who become Bahá'ís by visiting one of these centers and obtaining the Message there.

(From a letter written on behalf of Shoghi Effendi to an individual believer, 1 May 1932)
